

Kingdom

Creative Papers by Ball & Doggett

Kingdom is a range of elegant papers that offers timeless sophistication and charm with three finishes, a diverse colour palette and envelopes - making it the ultimate corporate communications papers range. Delivering high-quality print results with all printing applications including laser, inkjet compatibility and HP indigo grades. Kingdom provides real and concrete communication, which can be browsed, personalised and stored.

Three popular finishes: Laid, Wove and XT-S Super Smooth

- A classic Laid finish inspired by traditional letter paper. It remains a timeless favourite for corporate identity and print projects.
- Wove is a prestigious, rich warm sheet with a cotton like feel, well known for its reliability and superb performance.
- XT-S is an ultra-smooth paper with a low friction surface, producing a high definition print result when good ink lift is essential.
