

Closing the loop from manufacture to end of life, we introduce

CITYLIGHT HQ200 POSTER PAPER.

This media ticks all the green boxes

- ✓ Made from renewable and sustainable fibre based material
- ✓ PEFC certified (or FSC®-C102086 certified Mixed Sources upon request). ISO 9001, ISO 14001 and ISO 50001
- ✓ Blue Angel environmental label and EU Ecolabel
- ✓ 100% recyclable and can be placed in any paper/cardboard recycling bin

CityLight HQ200 Poster Paper is highly regarded for its wet strength properties, strong fibre bond structure for high tear resistance and exceptional photo quality print performance. Suitable on eco-solvent, solvent, latex* and UV Inkjet technologies.

This media is ideal for bus shelters, billboard displays, backlit light box applications (lasting up to 3 months in all climate conditions).

Available in 1320mm or 1600mm wide (sheeting and rolls available on requests)

*HP Latex Certified.
